CALL FOR FOOD & HELP

We are calling all parents to share their favorite food from their own heritage. Join in the spirit of our International Festival, and cook up your favorite dish for our students. Please make finger foods, or bite size morsels. Please label the food, what country, and what is the main ingredients in your delicious dish. (Nut free please for allegy purposes). If you can help please return the bottom tear off to our secretaries. Food can be dropped off at curbside at Burnett and Mayeda in the morning.

I.F. Part One 9:45am-11:30 / I.F. Part Two 12:10-1:30

PARENT VOLUNTEERS NEEDED! We need parents to man the food booths! Also parents needed who can help with food, set up and take down. There will be a morning shift and after lunch shift. We also need kitchen parents to help sort and arrange all the food to pass out to our booths for the kids. Along with the food booth is the water booth, which needs donations of water and a parent to man the table. Please contact Cyndy Sugawara, Mayeda art teacher 522-6757, csugawara4@gmail.com or Amy Balsbaugh, rooftopartparent@gmail.com or Verna Liza Caba,cabafamily@pacbell.net if you can help on the day of May 9th!
