

SAN FRANCISCO
OPERA EDUCATION presents:

THE GIRL OF THE GOLDEN WEST— The Movie!

FREE Screenings for Families February 25 and 26!

Puccini's *The Girl of the Golden West* is the opera version of a classic Western—we meet a crafty criminal, a suspicious sheriff and a tough frontier woman with a tender heart. The dramatic love triangle story is set during the Gold Rush.

Created from San Francisco Opera's 2010 production of *Girl of the Golden West*, this one hour movie is a perfect way for children to learn about the magic of opera. The Company's education department produced the movie version for Bay

Area school and community programs. The performance is in Italian, with English subtitles and is recommended for ages 8 and up.
