"The *Tales from the Chinese Zodiac* books are a great gift idea for friends and family"
— National Association of Asian American Professionals

"Practice makes perfect. That's what [*Julie Black Belt*] learns in her beginning kung fu class along with lessons about dedication and determination... a high-action story that encourages deep reflection despite the action movie look." — *San Francisco Chronicle*

"[In *Amazing Chinese Inventions*] softly colored, cut-paper figures smile... reflecting the infectiously humorous tone. What will the young Kangs dream up next?" — *ALA Booklist*

"*Sora and the Cloud*, Felicia Hoshino's rich, clever and appealing book... it is itself a lovely tribute to the joys of soaring high." — *New York Times*

"[*Boy Dumplings* is] a fun, slightly spooky twist on the classic tale of a small child outwitting a villain." — *School Library Journal*

"Now I'm hungry for noodles! My kids loved *The Discovery of Ramen* immediately when they saw it. My 8-year-old wanted to read it on her own." — Kaye Puhlmann, Storybird

"By deftly bridging the cultures of East and West, by drawing inspiration from sports heroes, warriors and philosophers over thousands of years of history, *The Tao of Yao* highlights universal principles of leadership essential to victory." — Iris Chang, author

"[The graphic novel *9 of 1* provides readers] an amazing selection of diverse perspectives & ways to understand the world about them. Educational, fascinating, even-handedly informative, & suitable for all readers of ages & backgrounds" — *Midwest Book Review*
