

Dear Rooftop Families;

As we approach the season for giving, families often ask for ways to contribute to our school. If you haven't given already, please consider making an end of year donation towards our annual giving fund.

We, at Rooftop, take pride in our unique enrichment programs that many schools in the district cannot offer. On average the PTA spends more than \$500 per child in order to sustain the level of programs we come to expect here at Rooftop.

For the Annual Giving Campaign this year, our wish is that each and every family can participate by giving. Choose an amount that fits for your family and know that every dollar makes a difference.

Rooftop wouldn't be the incredible public school that it is without our PTA resources. PTA-funded programs are the heart and soul of Rooftop, creating a daily school experience where every child feels engaged, supported, and challenged. For example, PTA supplements the Outdoor Education program at Mayeda, so all our 6th and 8th grade students can participate.

But more than that, the secret to Rooftop's success are the people that the PTA brings to our school community:

- Andi Wong, Computer Lab (Grade 3-5)
- Danielle DiSalvo, Sensory Motor (K-2)
- Reduced Class Size Staff (Grade 8)
- Heidi Jenkins, Garden Instructor (K-4)
- Rittinell Banks, Mayeda Librarian (Grade 5-8)
- Amy Balsbaugh, Art Coordinator (K-8)
- Cheryl Ball, Art Coordinator (K-8)
- Nick Borelli, Rooftop Works Coordinator (K-8)

Click [here](#) to make an online donation to our annual fund, or [fill out this form](#) and return a check to the school in the PTA Box at either campus by Dec. 31, 2013. All donations are 100% tax deductible.

Please consider the holidays to be the start of the "season for giving".

With gratitude,

Maryann Ibrahim

P.S. Many corporations match individual gifts! Please check to see if your company has a matching program. You can double or even triple your impact!
