

BTH
INTERNATIONAL
MULTICULTURAL
FESTIVAL

**THIS FRIDAY
APRIL 27TH**

Students are preparing their acts! Come see the FREEZE. Enjoy our past student Adam Traore Al rap, & marvel at the many wonderful performances by our students ranging from Tahitian dance, poetry, music, and songs from the heart!

CALL FOR FOOD

Please send one of your family dishes to share with the children this Friday. All the kids are so proud of the home made dishes that their family bring to this day of celebration! We set the table with foods and flavors from all our diverse cultures that represent our wonderful Rooftop community! The students look forward especially to that special feeling of knowing, our whole bigger family helped to make this celebration so meaningful, accepting, and yummy! Thank you parents for joining in our International Festival!
